Allowable Subject Matter

Claims 1-3, 5-10, 12-17, and 19-24 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art either alone or in combination doesn't teach the limitations of a setting a mark within a first display region of a display image displayed on a display unit and a return section configured to automatically return the display to said first display region in response to a cancellation of the scrolling process by said scrolling section so that the mark is visible in said first display that is displayed, wherein the cancellation corresponds to a release of the input device or key in combination with the other claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
